

## PRESS RELEASE

17 December 2018

### The Court of Audit sends its 30th Report with comments to the Walloon Parliament

The 30th Report with comments that the Court of Audit sends to the Walloon Parliament is divided into two parts.

In the first part, the Court delivers its comments and recommendations on the 2017 general accounts of the General Administration's services.

The second part is divided into three sections. In the first, the Court comments the evolution of the financing balance in 2017, whereas the second regards the approval of the public services' general accounts submitted to the Court's inspection and the results of the account verification of some of these services.

In the third section, the Court provides its comments and recommendations on two audits. One of them concerns the sustainable nitrogen management in agriculture within the Walloon Region. The other deals with calls for tenders and the performance of public procurement contracts related to nature, woods, rural matters and watercourses.

The full text of the 30th Report with comments that the Court of Audit sends to the Walloon Parliament is available (in French only) on its website's ([www.courtofaudit.be](http://www.courtofaudit.be)).

#### ***Information for the press***

*The Court of Audit exerts an external control on the financial operations of the Federal State, the Communities, the Regions and the provinces. It contributes to improving public governance by transmitting to the parliamentary assemblies, to the managers and to the audited services any useful and reliable information resulting from a contradictory examination. As a collateral body of the Parliament, the Court performs its missions independently of the authorities it controls.*
